

5 Ways to Support Marblehead Trees

If you want to help with establishing more trees in Marblehead, there are a few excellent options.

1. Your Property's Trees

Pruning trees and shrubs on your property enhances and lengthens their lives. Add a tree to your yard, if possible. Here's an article on how to [How to Plant a Tree](#). UMass Amherst also provides [a valuable resource](#) on planting for resilience. Email us with your tree questions. We are happy help! Link on email to trees@sustainablemarblehead.org)

2. Your Neighborhood's Trees

Many neighborhood street trees are dying or need replacing. Contact the Marblehead Tree Warden at the Tree Department treeDept@marblehead.org if you see a tree that needs care or replacing.

3. Donate to Support Planting Town Trees

Donate to Marblehead's Tree Donation Fund to help replace our many 60+ year old street trees. Write a Check to Town of Marblehead with a Memo "Tree Fund". Send to:

Abbot Hall - Town Administrator Office
188 Washington St.
Marblehead, MA 01945

4. Donate to Support Marblehead Recreation & Parks Department's Planting Projects

The Recreation & Parks Department has a new restricted Landscaping Fund that supports plantings in our parks, cemeteries, and school lands. Your donation can support the general planting fund, specific projects, or you can apply to donate a recognition tree or shrub. [Donate here](#), or write a check to Marblehead Recreation & Parks Department with a Memo "Landscaping Fund." Send to:

Marblehead Recreation & Parks Department
10 Humphrey Street.
Marblehead, MA 01945

5. Volunteer Opportunities

a) Plant trees and shrubs with Sustainable Marblehead by signing up to volunteer in our Town Trees and Urban Forestry working Group. Select "Town Trees" at the bottom and we will keep you informed.

b) You can also help with trail maintenance, forestry health, and plantings by joining the Marblehead Conservancy.
